47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am furious about what you guys are trying to reduce the internet provider in the country. This does not make any sense other than your political games. As consumers we need the government maintain a competitive market for the internet which all Americans use every day! If you cannot do your job, we will find a way to replace you all.
